SATISFACTION GUARANTEED

A Family Owned Business

The Master Blasters is a family owned company that instills quality and customer service at the highest standard. Founded in Frankfort, Illinois, we are proving to be a staple in the customized sandblasting market. We thrive on customer loyalty, satisfaction, and quality. We treat every customer as part of our extended family. Each item is individually sandblasted by one of our expert sandblasters. No two items are alike, which gives your item it's own unique charm. Give us a call, email or check out our website and our unique "Design Your Own Rock" Studio!

Testimonials

This is my third stone from Master Blasters and again, they were a pleasure to work with. I asked for a different font and for a light colored stone. It turned out perfectly, and the recipient was so touched and happy to have it. I'm a fan!

- Jenn D. Pasadena, California

Great Seller. Fast production and shipping. Item was as described and made a great gift. Would work with this seller again!

- Kylie B. Cincinnati, Ohio

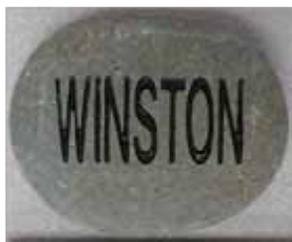

Rated 5 out of 5 STARS on Etsy!
